

Philips Viva Collection
Juicer

700W
QuickClean
2 L, XL tube

HR1863/20

Maximum juice. Minimum fuss.

Up to 2L of juice in one go & clean up within 1min

This Philips juicer extracts even more juice from your fruit and vegetables. Cleaning can be done within 1 minute thanks to the revolutionary “QUICKClean” technology. Treat yourself with the joy of healthy homemade juice every day!

Clean within 1 minute!

- Pre-clean function rinses away the unwanted fibers
- QuickClean technology
- All pulp collected in one place for easy disposal
- QuickClean sieve
- Smooth and easy to clean surfaces

Easy to use

- Easy checking of the pulp with see-through pulp container
- Quick and easy assembly of all parts

Squeeze every drop from your fruits and vegetables

- Make up to 2 liters of juice in one go.
- Powerful 700 W motor
- No pre-cutting thanks to the XL feeding tube (75mm)

PHILIPS

Highlights

Pre-clean function

The Philips juicer is the 1st centrifugal juicer on the market with a pre-clean function. By pouring water in the pusher, you can create a water fountain in the appliance, which rinses away the unwanted fibers from the lid and makes the sieve easier to clean.

Quick and easy assembly

Quick and easy assembly of all parts

See-through pulp container

Enjoy a true interactive juicing experience. The lid and the pulp container are transparent so you can see your fruits and vegetables being juiced. You also directly see when the container is full which means it is time to empty it.

Make 2 L of juice in one go

Thanks to the innovative juice extraction system with QUICKClean technology, this juicer extracts up to 2 liters of juice in one go without the need to empty the pulp container.

XL feeding tube

The 75 mm extra large feeding tube allows you to juice even large fruits and vegetables like apples, carrots and beetroots without pre-cutting.

700 W motor

700W

Strong 700 W motor for blending, mixing and crushing effectively.

QuickClean technology

The Philips juicer is designed for easy cleaning thanks to QuickClean technology. Cleaning can now be done within 1 minute, thanks to the QuickClean polished sieve, integrated pulp container and smooth surfaces.

Integrated pulp container

The pulp will all be collected in the only place where it should be: in the pulp container of your Philips juicer. That means there is no need to remove pulp from other parts such as the lid anymore. Due to the round design and smooth surfaces without nooks and crannies, the pulp is easy to reach and the container is much easier to clean.

QuickClean sieve

A lot of pulp fibres usually get stuck in the sieve, which makes it very difficult to clean. Thanks to the innovative QuickClean technology all surfaces of the sieve are smooth, which helps you wipe away the fibres with a standard kitchen sponge.

Smooth and easy to clean

The juicer is designed with round shapes and smooth surfaces to facilitate easy rinsing under the tap.

Specifications

Design specifications

- Color(s): Aluminium
- Material housing: Aluminium
- Material jug: SAN jug and PS cover
- Material pulp container and pusher: PS

General specifications

- Non-slip feet
- Safety clamps
- Integrated cord storage
- Speed setting: 1

Technical specifications

- Power: 700 W
- Voltage: 220-240 V
- Frequency: 50/60 Hz
- Cord length: 1 m
- Pulp container: 1.2 l
- Feeding tube dia: 75 mm
- Capacity: 2 l
- Capacity juice jug: 800 ml

Easy to clean

- Dishwasher-safe accessories
- Quickclean
