# PHILIPS

# Highlights

## 2300 W for quick heat up

2300 W for quick heat-up and powerful performance.

## Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

## Quality-tested cord

Philips cord for steam irons has been tested under rigorous quality measures to provide maximum durability and safety.

## Steam boost up to 140 g

The iron's 140 g steam boost penetrates deeper into the fabric to easily remove stubborn creases.

## SteamGlide soleplate

Our exclusive SteamGlide soleplate moves smoothly over any fabric. A durable, 5-layer coating - including anti-corrosive base - makes it last longer. Non-stick, scratch-resistant and easy to keep clean.

## Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

## Steam up to 40 g/min

Continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

## Built-in calc-clean slider

This steam iron can be operated with normal tap water, and the built-in calc clean slider makes it easy to remove any built-up scale from your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.
